HELP REQUIRED

The Scunthorpe Indoor Bowls Club's Organising and Club Secretary Peter Bennett has decided for personal reasons to step down from this position in the Club.

Peter will vacate the position on 31st December 2018.

Peter has been in this post for over 8 years and has worked extremely hard putting in many long hours to help to provide an enjoyable winter season's indoor bowling for all the Club's members and visitors.

The Club on behalf of all its members is extremely grateful and thanks Peter for all his hard work and wishes him all the best for the future.

It is now necessary to continue the business of the Club into 2019 and in order to fulfil this we are going to need additional HELP with a number of different tasks.

If anyone is interested in taking on the Club's Secretarial work or in helping with any of the tasks involved in running an Indoor Club or would like any further information.

Please contact:

RAY ROBINSON (Club President) on: Tel. No. 07889 084869
